

Greetings,

The disaster in Haiti cries out for our help, don't you think? As a group that specialises in helping people, it is important that we mobilise and offer the support that we can.

More importantly, we need prayer at this time for all of the victims and their families.

But if you can, please help with the most pressing needs like: **food, water, shelter, and the ability to communicate with loved ones**. Below are direct links to reputable aid groups, their direct donation pages, and their contact information.
