

*Hi Tessa*

*I just wanted to thank you for putting together a great programme for coaches - 'Get Known Fast'.*

*When I first saw your advert on the ECI website, I wasn't sure what I wanted or needed as a coach who had just started her own business. I started reading more about your offer by clicking the link. On reading through what you were expressing, I started to realise that this really could help. I signed up for the full package 'Get Known Fast' programme, including your offers and have not looked back. The CD's & transcripts of some of the Top 21 Coaches in the world was extremely eye opening and your Golden Nuggets have helped me have more purpose & direction to my business. Due to your 'Get Known Fast' programme I am now writing my book which I would never be doing if I had not purchased your programme.*

*I can see how your 'Get Known Fast' programme can accelerate not just new businesses like mine but also businesses that have been around for a long time but need more clients etc. I was very lucky, thanks to ECI to find your help at hand so early in my coaching business.*

*Your 'Get Known Fast' programme was super value for money and I want to thank you so much for changing my life in many ways Tessa!*

*Keep up your great work helping others achieve great things – this fits so well with my own vision & goals.*

*Kind Regards  
Mags Bell  
Director CPR*
